Press Note

As Government of India will be launching the Nationwide COVID-19 vaccination for the age group of 12-13 years and 13-14 years i.e, born in 2008, 2009 and 2010 (attained above 12 years of age). These beneficiaries will be administered with Corbevax COVID-19 vaccine from 16th of March 2022 onwards.

All the parents of the above age group children are requested to ensure their child get vaccinated center for complete protection against the deadly COVID-19 virus.

The beneficiaries in the age group may require to bring documents i.e, ADHAAR Card/ School ID Card or any other document for verification of age.

Together with your support we will achieve the target of 100% vaccination for the age group as achieved earlier and move one more step ahead to free this islands from COVID-19.
